

WISCONSIN OPTOMETRIC ASSOCIATION Opportunity List

(2/12) – Part-Time Position Available in Appleton - Established practice of 12 years looking to add an associate. I am an independent contractor in a retail setting looking to add 1 - 3 days of additional coverage. I am located on the east side of Appleton, and work with a very experienced optical staff. This can be a very convenient way to fill in your work schedule! Contact Matt J. Schuller, OD, 1800 S Kensington Drive, Appleton, WI 54915. Email: foreyes1972@yahoo.com; phone: 920-277-3563.

(12/11) – Optometry Position Available in Madison - The Dean Clinic Division of Ophthalmology and Optometry has created one new part time .50 Float position rotating through all 20 Davis Duehr Dean Regional Eye Network locations. 18 clinical contact hours per week will be required. For more information, please contact Tim Dybevik, Senior Medical Staff Services Specialist, Dean Business Office; 1802 W. Beltline Highway, Madison, Wisconsin 53713; phone - 608-294-6226, fax - 608-250-1534, cell - 608 515 6061, email - tim.dybevik@deancare.com. An Equal Opportunity Employer.

(11/11) - Fill-In O.D. Needed in Green Bay – O.D. wanted to fill-in at LasikPlus in Green Bay to cover illness, vacation, and meetings. Please email Rachel at romenesko@lca.com or call (920) 497-2020 ext. 0 for more information.

(10/11) – Optometrist position available at Marshfield Clinic – The Optometrist is a skilled member of the allied health team who provides general optometric services to patients. These services are provided according to the philosophy and practice objectives established by Marshfield Clinic and the Department of Ophthalmology, which reflect a commitment to customer focus, people orientation, system integration, and financial stability. Marshfield Clinic is an Affirmative Action/Equal Opportunity employer that values diversity. Minorities, females, individuals with disabilities and veterans are encouraged to apply. For more details regarding the qualifications of this position, and to apply online, please visit our website at www.marshfieldclinic.jobs. Contact: Sara, Human Resources. Fax: 715-858-5832.

(8/11) – Part-time position available in Brookfield Pediatric Ophthalmology office – Part-time optometrist is needed for a busy pediatric ophthalmology practice. Hours would be limited to Thursdays during an initial four-month preliminary employment period and would gradually increase for a kid-friendly, parent-friendly, compatible optometrist. This is an excellent opportunity for someone that is looking for a long-term position and consistent work hours without nights and weekends. Please contact mppattersonmd@aol.com. Pediatric experience is not necessary.

(8/11) – Part-time position in Hudson, WI – Full scope primary care private practice looking for part time associate. Please email: mike@christensonvisioncare.com.

(5/11) - O.D. wanted as part-time associate. Have you a day or two a week? Nice small town general optometric practice needs associate. Email drhall@elknet.net or call 262-723-6274.
