

WISCONSIN OPTOMETRIC ASSOCIATION Opportunity List

(6/14) - Optometrist Available for Part-Time Hire in Southwest Wisconsin – I have been practicing optometry for over 30 years, and I have an extensive background in treating a wide variety of eye conditions and diseases. My intention for working outside of my own clinic is to help supplement my future retirement income in a quality work environment. I practice in southwest WI, and I would be able to commute, depending on the schedule. Please contact me at k.summerfield2010@gmail.com or (608) 787-7409.

(6/14) - Practice for Sale – Long established optometric practice in a progressive city in northern Wisconsin. This turnkey office is located in a professional building in the heart of a high traffic, commercial area. Owner wishes to retire. Send inquiries to knlm1972@gmail.com.

(6/14) - Attention: New Graduates and Alumni – Practice for Sale in Green Bay, WI – I am a 68 year old practicing Doctor of Optometry. I began my practice in 1976 in Green Bay, Wisconsin. Every year has been a challenge and reward. I practice Primary Eye Care, with a heavy emphasis on pathology and pre-operative/post-operative surgery. My practice has demonstrated meaningful use of certified Electronic Health Record technology. With the advent of the Affordable Care Act, I see the future of Primary Eye Care to be very bright. I am looking for someone who shares the same compassion and confidence in our profession. If you are interested in continuing your career in Optometry as an independent provider, please give me a call at (920) 469-0606 or email me at timothyjpease@yahoo.com.

(1/14) – Optometry Position Available in Milwaukee - PEARLE VISION in Milwaukee is currently seeking a primary care optometrist with franchise equity ownership interest to develop and eventually own the practice in Brookfield, WI. Your experience, chair-side manner and interest in practicing preventative healthcare to the fullest extent of your license make you a good match for this mature practice. Enjoy the opportunity to work with a varied patient base and a professional support staff in a private practice within a retail setting. This is an outstanding opportunity for the optometrist who wants the freedom to guide and direct the practice--not just participate from the sidelines, as this is a franchise-owned location, and we seek long term ownership interest. Additionally, future franchise opportunities exist, and this could be a terrific chance to own your own practice with easy terms. Founded by an optometrist in 1961, at Pearle Vision, we understand the importance of the doctor and the relationship to the patient. We offer excellent income, profit sharing, vacation, health care and a free annual eyewear program. For more information and consideration, please contact Vincent Facchiano, O.D. @ (815) 332-2223 & email your resume and references to: vfacch2854@aol.com.

(12/13) - Optometrist Needed in Milwaukee - Metro Eye has an opening for an optometrist 2-4 days/wk starting in May 2014. The ideal candidate will have 1-5 years of clinical experience. An optometrist joining our growing team requires a candidate with a desire to create long term relationships with their patient base and who places an emphasis on practicing within the full scope of licensure, including ocular disease management. Metro Eye is well equipped with E.H.R, computerized refracting lanes, OCT, VF, Retinal Camera, and continues to invest in new technology. Please email letter of interest and CV or resume to info@metroeye.biz, Attn: Michelle.

(10/13) - Full-Time Optometrists Needed in Sheboygan, WI – Wisconsin Vision is looking for two full-time optometrists. One optometrist to work primarily at our Sheboygan location, and one optometrist to work between Glendale and Grafton. Ideal candidates will be: good at building patient relations, team orientated, and good at recommending to patients. Full-time benefits include: a competitive wage, health insurance, 401K, flex spending, malpractice insurance, continuing education credits, and more. Hours include evenings until 7pm and Saturdays until 3pm. If interested, contact Terrie Cayemberg at tecayemberg@wisconsinvision.com or 262-923-7258.

(9/13) - Full and Part-Time Opportunities Available in Milwaukee – Vision Works, one of the leading providers of eye care services in Milwaukee, has exciting professional opportunities for licensed optometrists. We invite you to inquire as to the many opportunities for doctors seeking to practice in a full

scope optometric environment. At Vision Works, we realize that recognition as a preferred place to work results from meeting your needs and expectations in a variety of ways. The practice strives to offer a work environment that is appealing and a package of employee benefits that meet your needs and the needs of your family. If you are an outstanding optometrist whose primary goal is to provide excellent patient care, then we are interested in talking to you. Please contact Ed Berberich at 314-749-8869 or eberber1@aol.com.

(9/13) – Northwoods Practice For Sale – Practice for sale on the edge of the beautiful north woods. Live and practice your profession where many dream of and look forward to vacationing. Enjoy every outdoor activity available while still being near a large community with all the restaurant and shopping experience you could want. The practice has a large patient base and is long-established with knowledgeable and well trained staff that allows you to practice Optometry at your best.
