

WISCONSIN OPTOMETRIC ASSOCIATION Opportunity List

(10/13) - Full-Time Optometry Position Open in the Milwaukee Area - PEARLE VISION in Milwaukee is currently seeking a primary optometrist to practice in Glendale's premier retail optometry practice near Bay Shore Mall. Your experience, chair-side manner, and interest in practicing preventative healthcare to the fullest extent of your license make you a good match for this mature practice. Enjoy the opportunity to work with a varied patient base and a professional support staff in a private practice within a retail setting. This is an outstanding opportunity for the optometrist who wants the freedom to guide and direct the practice--not just participate from the sidelines, as this is a franchised-owned location. Additionally, future franchise opportunities exist, and this could be a terrific chance to own your own practice. Founded by an optometrist in 1961, at Pearle Vision, we understand the importance of the doctor and the relationship to the patient. We offer an excellent salary, healthcare, vacation, and a free annual eyewear program. For more information and consideration, please contact Vincent Facchiano, OD (vfacch2854@aol.com) or Rory @ (630) 921-0900. Email your resume, references, and salary requirements to: eyeguys1965@yahoo.com.

(10/13) - Part-Time Optometry Position Available - Upscale 4 doctor private practice has an exciting opportunity for a WI licensed optometrist. Currently 2-3 days per week with full time potential. Computerized instrumentation and EHR. Nice mix of traditional and medical optometry. Position requires excellent treatment/management skills. Meet us at www.primaryeyecareassociates.com. Please email CV and letter of interest to Lmarsh@primaryeyecareassociates.com.

(9/13) - Full and Part-Time Opportunities Available in Milwaukee – Vision Works, one of the leading providers of eye care services in Milwaukee, has exciting professional opportunities for licensed optometrists. We invite you to inquire as to the many opportunities for doctors seeking to practice in a full scope optometric environment. At Vision Works, we realize that recognition as a preferred place to work results from meeting your needs and expectations in a variety of ways. The practice strives to offer a work environment that is appealing and a package of employee benefits that meet your needs and the needs of your family. If you are an outstanding optometrist whose primary goal is to provide excellent patient care, then we are interested in talking to you. Please contact Ed Berberich at 314-749-8869 or eberber1@aol.com.

(9/13) – Northwoods Practice For Sale – Practice for sale on the edge of the beautiful north woods. Live and practice your profession where many dream of and look forward to vacationing. Enjoy every outdoor activity available while still being near a large community with all the restaurant and shopping experience you could want. The practice has a large patient base and is long-established with knowledgeable and well trained staff that allows you to practice Optometry at your best. I am ready to retire and am motivated to assist you with becoming the owner of this business. Contact me at either eyesok@frontiernet.net or by phone at 715-902-0016.

(9/13) – New Optometrist Available in Green Bay/Appleton, WI - Current fourth year optometry student will be graduating from the University of Missouri-St. Louis College of Optometry on May 17th, 2014. Seeking a full-time optometrist position at a private practice or ophthalmology/optometry practice in the Green Bay/Appleton area. Special interest in low vision rehabilitation. Please contact Ashley Gezella at aagrc5@mail.umsu.edu or (920) 362-5558 for CV, resume, and references.

(8/13) – Full-Time Optometry Position in Madison, WI - Group Health Cooperative of South Central Wisconsin is looking for a full-time optometrist in Madison. The optometrist is responsible for providing high quality vision and health care services to GHC-SCW members. Responsibilities include the examination, diagnosis, treatment, and management of diseases and disorders of the visual system, the eye, and associated structures, as well as the diagnosis of related systemic conditions. Additionally, the optometrist provides guidance and direction to optometric technicians. Please visit <https://ghcscw.com/Pages/Careers.aspx> for more information or to apply, or call 608-251-4156, ext. 4419.
