(3/14) – Current Fourth Year Optometry Student Seeking a Full-Time or Part-Time Position in West-

Central Wisconsin – Will graduate on May 17th, 2014 from the University of Missouri-St. Louis College of Optometry. Special interests include pediatrics and ocular disease. Please contact Jessica Walter at JessicaCWalter@yahoo.com or (573) 797-0790 for CV, resume, and references.

(3/14) - Current Fourth Year Optometry Student Seeking a Full-Time or Part-Time Position in West-

Central Wisconsin - Will graduate on May 17th, 2014 from the University of Missouri-St. Louis College of Optometry. Special interests include ocular disease and contact lenses. Please contact Dan Puls at pulsdw@gmail.com or (608) 769-7577 for CV, resume, and references.

(3/14) – Optometrist Wanted in Fond du Lac, WI – Agnesian HealthCare, located in Fond du Lac,

Wisconsin, is currently seeking a qualified candidate to join our ophthalmology/optometry department. The candidate must be a TPA-certified optometrist and will practice full-scope primary care optometry. Experience with ocular disease management and contact lenses preferred. The ideal candidate will be team oriented and provide excellent patient care. We offer an attractive compensation and benefit package. To be considered, please forward or e-mail a cover letter and resume to: Melissa Hayes, Human Resources Department, 430 E. Division St., Fond du Lac, WI 54935; (920) 926-5712 or hayesm@agnesian.com.

(3/14) – Residency-Trained Optometrist Available for Full-Time Position August 1, 2014 – Current

primary care/ocular disease resident at the James A. Lovell Federal Health Care Center in North Chicago, IL seeking a full-time position in a clinic which offers full scope of practice including ocular disease management in the Madison, Milwaukee, or Kenosha area, or anywhere in between. Will also consider part-time work. Licensed to practice optometry in Wisconsin (#3320-35). Contact Dan Roberson at dankroberson@gmail.com or (262) 880-5203 for CV, resume, and references.

(3/14) – Full-Time Position Available in the Madison Area – A nationally known health services

company is currently seeking to fill a full-time medical director/optometrist position in the Madison, WI area. This person will be responsible for educating patients on Laser Vision Correction and managing/coordinating patient care and follow up. This person will work with surgeons to develop treatment plans. Must possess ability to manage and lead the team. Please call 314-341-2917.

(2/14) - Part-Time Optometry Position Available in Platteville, WI - Tashner Vision Clinic, LLC is

seeking a part-time optometrist (1 to 1.5 days/week). Our clinic is a progressive, growing, full-scope, established private practice in Platteville, WI (about an hour easy drive to/from Madison). To apply, mail your resume and cover letter to Tashner Vision Clinic, LLC, 170 McGregor Plaza, Platteville, WI 53818.

(2/14) - Temporary Employment in Green Bay, WI – Muller EyeCare in Green Bay has a backlog of 70

patients waiting to schedule eye examinations. We are looking for multiple ODs (or one OD to come in multiple days) to see these patients on a one-time basis. This is not a permanent position. These exams would be scheduled Mon, Tues, Thurs, or Fri. Contact Teresa Muller-Runte at (920) 468-8907 or mail@mullereyecare.com for details.

(1/14) – Optometry Position Available in Milwaukee - PEARLE VISION in Milwaukee is currently

seeking a primary care optometrist with franchise equity ownership interest to develop and eventually own the practice in Brookfield, WI. Your experience, chair-side manner and interest in practicing preventative healthcare to the fullest extent of your license make you a good match for this mature practice. Enjoy the opportunity to work with a varied patient base and a professional support staff in a

private practice within a retail setting. This is an outstanding opportunity for the optometrist who wants the freedom to guide and direct the practice--not just participate from the sidelines, as this is a franchise-owned location, and we seek long term ownership interest. Additionally, future franchise opportunities exist, and this could be a terrific chance to own your own practice with easy terms. Founded by an optometrist in 1961, at Pearle Vision, we understand the importance of the doctor and the relationship to the patient. We offer excellent income, profit sharing, vacation, health care and a free annual eyewear program. For more information and consideration, please contact Vincent Facchiano, O.D. @ (815) 332-2223 & email your resume and references to: vfacch2854@aol.com.

(12/13) - Optometrist Needed in Milwaukee - Metro Eye has an opening for an optometrist 2-4 days/wk starting in May 2014. The ideal candidate will have 1-5 years of clinical experience. An optometrist joining our growing team requires a candidate with a desire to create long term relationships with their patient base and who places an emphasis on practicing within the full scope of licensure, including ocular disease management. Metro Eye is well equipped with E.H.R, computerized refracting lanes, OCT, VF, Retinal Camera, and continues to invest in new technology. Please email letter of interest and CV or resume to info@metroeye.biz, Attn: Michelle.

(12/13) - Practice for Sale in Greendale, WI – Greendale, WI solo practice for sale. Established 50 years. Particulars available by request. Contact on Thursdays and Fridays from 10:00 a.m. to 4:00 p.m. at 262-968-2293.

(10/13) - Optometrist Wanted - 4-6 days per month – Monday, Tuesday, or Thursday. Must have outgoing, enthusiastic personality. Call Teresa at Muller EyeCare in Green Bay for details, 1-800-261-3937, or email mail@mullereyecare.com.

(10/13) - Full-Time Optometrists Needed in Sheboygan, WI – Wisconsin Vision is looking for two full-time optometrists. One optometrist to work primarily at our Sheboygan location, and one optometrist to work between Glendale and Grafton. Ideal candidates will be: good at building patient relations, team orientated, and good at recommending to patients. Full-time benefits include: a competitive wage, health insurance, 401K, flex spending, malpractice insurance, continuing education credits, and more. Hours include evenings until 7pm and Saturdays until 3pm. If interested, contact Terrie Cayemberg at tecayemberg@wisconsinvision.com or 262-923-7258.

(9/13) - Full and Part-Time Opportunities Available in Milwaukee – Vision Works, one of the leading providers of eye care services in Milwaukee, has exciting professional opportunities for licensed optometrists. We invite you to inquire as to the many opportunities for doctors seeking to practice in a full scope optometric environment. At Vision Works, we realize that recognition as a preferred place to work results from meeting your needs and expectations in a variety of ways. The practice strives to offer a work environment that is appealing and a package of employee benefits that meet your needs and the needs of your family. If you are an outstanding optometrist whose primary goal is to provide excellent patient care, then we are interested in talking to you. Please contact Ed Berberich at 314-749-8869 or eberber1@aol.com.

(9/13) – Northwoods Practice For Sale – Practice for sale on the edge of the beautiful north woods. Live and practice your profession where many dream of and look forward to vacationing. Enjoy every outdoor activity available while still being near a large community with all the restaurant and shopping experience you could want. The practice has a large patient base and is long-established with knowledgeable and well trained staff that allows you to practice Optometry at your best. I am ready to retire and am motivated to assist you with becoming the owner of this business. Contact me at either eyesok@frontiernet.net or by phone at 715-902-0016.

(9/13) – New Optometrist Available in Green Bay/Appleton, WI - Current fourth year optometry student will be graduating from the University of Missouri-St. Louis College of Optometry on May 17th, 2014. Seeking a full-time optometrist position at a private practice or ophthalmology/optometry practice in the Green Bay/Appleton area. Special interest in low vision rehabilitation. Please contact Ashley Gezella at aagrc5@mail.umsl.edu or (920) 362-5558 for CV, resume, and references.

(6/13) – Practice for Sale - It is time to retire. Looking for someone to continue a private optometry practice in Mukwonago, WI. Interested parties please call 262-363-5307 or email rpearsonod@wi.rr.com.

(5/13) - Part-Time Optometry Position in Wauwatosa, WI - Well-established full scope private practice is looking to add an outgoing, personable, and patient-focused optometrist. This position will start at 2 days a week with a few Saturdays and full-time potential. This opportunity could lead to a possible partnership or purchase in the future. Please email resume and information to eyefind44@yahoo.com if interested. Please also include any specific availability, and we will respond as soon as possible.

(5/13) - Practice for Sale – Long established optometric practice in a progressive city in northern Wisconsin. This turnkey office is located in a professional building in the heart of a high traffic, commercial area. Owner wishes to retire. Send inquiries to knlm1972@gmail.com.
