

WISCONSIN OPTOMETRIC ASSOCIATION Opportunity List

(6/10) Cedarburg Practice for Sale— optometric practice in Cedarburg, Wis. Active/ well-established; 30 yrs. Building could be included. Contact Dr. Gary Walters at 262-377-9686 (262-377-1619 in evenings).

(5/10) Northern Michigan— two doctor practice needs a new associate or employee for a full time position. Looking for an OD strong in pathology care. This is small town life at its finest with unlimited outdoor activities— skiing, fishing, hunting, etc. Please send your info to mipractice@aol.com.

(5/10) Green Bay Private Practice Seeks Full Scope Optometrist— Green Bay private, primary care practice of 34 years is seeking an O.D. associate interested in full scope optometric care. The goal of the association is the sale of the practice in several years to one or several optometrists. Interested parties should inquire at (920) 469-0606, ask for Dr. Pease.

(5/10) Practice Management Opportunity in Beloit - Anderson & Shapiro Eye Care of Madison, Wis. is looking for a WOA affiliated optometrist to manage their ongoing expansion into the Beloit area. They are expanding their practice to Beloit so they can serve Rock County, Wis. and Northern Illinois patients. The candidate should be strongly knowledgeable and greatly interested in optometric co-management for ophthalmic surgery and therapeutic care of patients. If you are interested in a great and successful future and wish to work with ophthalmologists who respect the practice of optometry and expect you to practice complete, optometric therapeutics, give us a call. You may contact Belinda Smith at (608) 827-7705 or send email inquiries to bsmith@be2020.com.

(5/10) Optometrist Needed in Eau Claire – Luther Midelfort—Mayo Health System, a thriving, physician directed, fully integrated hospital and multispecialty clinic in Eau Claire, Wisconsin, is seeking an optometrist. Residency not required but residency training in pediatrics, disease or specialty contact lenses appropriate. The ability to function as a team player with the current group of six ophthalmologist and four optometrists is crucial. There is no call associated with this position. Eau Claire, home to 10,800 students at the University of Wisconsin-Eau Claire, has a metro area of 95,000 and is 90 minutes east of Minneapolis. Four-season recreation, a low income rate/cost of living and high caliber public schools all make Eau Claire an attractive place to call home! For more information, contact Christie Blink, 715-838-6949, blink.christie@mayo.edu or visit our website www.luthermidelfort.org.

(4/10) Independent Optometrist Needed - Target Optical is looking for an independent doctor of optometry for its locations in Waukesha, Wis. Excellent opportunity to start your own practice, equipped exam room, participation in eye med and more. Please contact Uzma at 860-985-7198 or email resume to uali@luxotticaRetail.com.

(4/10) Optometrist Needed: Milwaukee - Full time optometrist position available in a busy, six doctor ophthalmology practice. General exams, contact lens exams, refractions, glaucoma management, and refractive surgery evaluations. Glaucoma, retina, and cornea available for in-house consultation. Skills: full scope eye care and general optometry skills, including contact lenses, LASIK work ups and glaucoma screenings. English required. Spanish a plus. Please send an email with resume to Rebecca Minney at Eye Physician Associates, S.C. to rebeccam@eyephysicianassociates.com.

(3/10) Practice Opportunity - Dr.'s Sandra Maley and Jessica Stromberg are looking for a doctor to work between their two offices in Tomahawk and Phillips, WI. Both locations are well established with 30+ years serving the communities. Please call to discuss opportunities with Maley and Stromberg Eye Care, LLC at 715-453-3636 or send resume to eyecare07@verizon.net.

(3/10) Practice for Sale - Established in 1980 in downtown Madison, this practice has an excellent location on the 600 block of State Street, next door to State Street Brats, in Madison, Wisconsin. There is ample parking immediately behind the office inside two parking ramps. The selling price is \$219,000, which includes all of the following:

1. A completely remodeled office with marble and wood flooring (remodeled nine years ago)
2. All frames (everything is of current styles)
3. Contact lens stock
4. Specialized, hand-crafted oak frame boards
5. All optical equipment and instruments
6. Finishing lab (lens stock and equipment)
7. All furniture
8. Everything stays

This is a turnkey opportunity. Optometrist is willing to stay for a period of time on a part-time basis to ease in the transition. Please call Wanda at 608-251-2020 for any additional information or to see the office.

(2/10) Practice for Sale: Practice for sale in median-sized community just north of Milwaukee in Ozaukee Co. For information call 262-377-1619.

(2/10) Optometrist Needed: Busy downtown Milwaukee practice has an immediate part-time opening for an Optometrist. Please submit resume including salary requirements via email to jspaulding@metroeye.biz

(12/09) Optometrist Available Central Wisconsin. Just moved back to the area and looking to add 1-2 days a week to my schedule. Fully licensed and insured. Please contact Brad Christopherson (231) 250-3913, or email at christophersonbrad@gmail.com.

(12/09) Practice Opportunity: Stanton Optical is looking for FT, PT or Fill-in coverage in both our East & Westside locations. As a part of our company, you will be a member of a fast-growing business that offers great incentives and competitive pay. We provide great personal training and ongoing support throughout your career. You will also be a part of a close-knit, professional family that makes your working experience that much more enjoyable. Stanton Optical has a history of success and expansion. With hard work and dedication, there is no telling how far you will advance within the company. Having worked in every area of the optical business, I have a deep passion for this company and its employees. I hope that you will decide to start a great and successful future with us at Stanton Optical. Please let me know if there are any questions that you may have. I look forward to hearing from you. Contact Daniel Stanton (561) 926-2188 or careers@stantonoptical.com.

(11/09) Office for sale in Green Bay. Doctor is wanting to move away from the area and would like to sell small office. The office has a good customer base, is well kept, attractive, and has a good centralized location convenient to shopping and other businesses. Please contact us at Email: greenbayoptical@yahoo.com. All inquiries will be kept confidential.

(8/09) Part-time opportunity in the Fox Cities area: A great opportunity for an optometrist to add some days or hours to his or her schedule. Independent practitioner looking to add more coverage in a well-established retail setting in Appleton. Very experienced staff to work with in place. I am open to discuss different days or evenings, and I am hoping for interest in one to two Saturdays a month. Please send work history, professional references, and availability to work via fax to 920-749-9806 or you may e-mail me at foreyes1972@yahoo.com.
