Volunteers of all kinds (Optometrists, Para-optometric Techs, Opticians, Lions and anyone else interested in helping) are needed at the Opening Eyes program to be held at the Special Olympics Wisconsin Summer Games in Stevens Point.

299 athletes were screened at the 2009 Summer Games. Of those participants, 197 athletes were given dress or sport glasses and 69 received sunglasses. Your help is needed to achieve and exceed these numbers this year!
