**2017 Primary Care Symposium
Doctor Registration Materials**

November 10-11, 2017

**Country Springs Hotel
Waukesha, WI**

Fri 10

5:00 p.m. - 6:00 p.m.

Registration
Ballroom Foyer

6:00 p.m. - 7:40 p.m.

"Glaucoma Update: New Tools and Treatment Options"

Michael Chaglasian, O.D.
2 hours WI GL - COPE#: 47303-GL
South Ballroom

New options for diagnosis and treatment of patients with glaucoma continue to evolve and are now at the hands of the general practitioner. This presentation will cover several technologies and their new developments including OCT imaging, perimetry, corneal hysteresis, VEP and new methods of photography. New treatment options will include new PGAs, new classes of glaucoma medications, drug delivery systems, laser treatments and MIGS procedures.

7:40 p.m. - 7:50 p.m.

Break

7:50 p.m. - 8:40 p.m.

"How to Distinguish Physiologic Cupping from Glaucoma"

Michael Chaglasian, O.D.
1 hour WI GL—COPE#: 52093-GL
South Ballroom

Identifying patients with large cupping of the optic nerve in the presence of normal IOP often prompts further diagnostic work up with OCT and visual fields. Differentiating normal findings from true glaucoma can be challenging. This course will review several cases in detail and identify the key strategies for successfully managing these patients.

8:40 p.m. - 10:00 p.m.

Reception
Sponsored by Cherry Optical
Ballroom Foyer

Sat 11

7:00 a.m. - 1:00 p.m.

Registration
Ballroom Foyer

8:00 a.m. - 9:45 a.m.

"Glaucoma Treatment Decisions"

Michael Chaglasian, O.D.
2 hours WI GL - COPE#: 52785-GL
South Ballroom

New options for diagnosis and treatment of patients with glaucoma continue to evolve and are now at the hands of the general practitioner. This presentation will cover several technologies and their new developments including OCT imaging, threshold perimetry, corneal hysteresis, and new methods of photography. New treatment options will include new PGAs, new classes of glaucoma medications, drug delivery systems and laser options.

9:45 a.m. - 10:00 a.m.

Break

10:00 a.m. - 11:45 a.m.

"Hot Topics in Glaucoma"

Eric Schmidt, O.D.
2 hours WI GL - COPE#:53143-GL
South Ballroom

The field of glaucoma is undergoing rapid advances in both the diagnostic and treatment realms. This course will, in a rapid fire format, highlight recent developments that affect our ability to manage glaucoma. The format will lend itself to discussion between the presenter and the audience

11:45 a.m. - 12:45 p.m.

Lunch
Woodfield ABC

12:45 p.m. - 2:25 p.m.

"New Therapeutics for Clinic Practice?"

Eric Schmidt, O.D.
2 hours WI PH - COPE#:54118-PH
South Ballroom

This course will present newly approved therapeutics in eye care. Lengthy discussions on the pharmacology of the drugs will be undertaken as well as clinical indications for the drugs. Clinical experiences with the certain drugs will ensue

Featured Speakers

Michael Chaglasian, O.D., FAAO,

Dr. Michael Chaglasian is an Associate Professor at the Illinois College of Optometry and Chief of Staff of the Illinois Eye Institute. He received his B.S. degree from the University of Michigan. He is a graduate of State University of New York College of Optometry and completed a Residency in Primary Eye Care/Ocular Disease at the Pennsylvania College of Optometry. Dr. Chaglasian is in charge of the Glaucoma Service at the Illinois Eye Institute, providing patient care while instructing residents and students. His clinical practice is directed exclusively to patients with glaucoma while co-managing surgical care with two glaucoma specialists. His research interests include normal tension glaucoma, automated perimetry and the clinical use of OCT imaging. Dr. Chaglasian has lectured frequently across the country on glaucoma diagnosis and management. He is a founding member and currently President of the Optometric Glaucoma Society. He has a

number of published articles and has contributed chapters to several popular textbooks on the topics of glaucoma and visual fields. He sits on the editorial boards for *Optometry Times* and *Advanced Ocular Care*.

Eric Schmidt, O.D., FAAO,

Eric E. Schmidt, O.D. is the President of Omni Eye Specialists, a multispecialty practice headquartered in Wilmington, NC. Dr. Schmidt graduated from the University of Illinois and received his Doctor of Optometry degree from the Pennsylvania College of Optometry. He completed a Residency in Ocular Disease from The Eye Institute of PCO and a fellowship in Glaucoma from Scheie Eye Institute in Philadelphia.

Dr. Schmidt is an adjunct professor at various Colleges of Optometry and is a frequent contributor to optometric journals. He is the author of the textbook [Clinical Procedures of The Lids and Nasolacrimal System](#) and lectures internationally on eye disease. He has a special interest in glaucoma and anterior segment procedures as well as Neuro Eye Disease.

WOA Registration Information

Things You Need To Know:

- ◆ **The deadline for early bird registration is October 16, 2017. After that date, the registration fee will increase by \$20.00.**
- ◆ All courses will be filled on a first-come, first-served basis.
- ◆ Please select either “Full Registration” or “Partial Registration.”
- ◆ There are two choices for registration:
 - Full Registration: One fee, including your choice of meal and all education classes.**
 - Partial Registration: You choose which classes and meal you want to attend, and each is priced separately. Please be aware that even if you aren't taking all of the classes, sometimes doing the full registration is cheaper. Simply select which classes you want to take, and pay the full registration fee.**
- ◆ If you plan to attend all of the WOA Primary Care Symposium, full registration is the way to go. If you can only attend a class or two, your best option may be partial registration. Choose the registration option which provides the best price.
- ◆ If you plan to pay with credit card please use the online registration system at: https://www.woa-eyes.org/event_registration?id=39
- ◆ Incomplete forms will delay processing. Please make sure you have provided all necessary information and type or print clearly on the form.
- ◆ Payment must be included with registration forms!
- ◆ **Whether you do full or partial registration, you must check which courses and meals you plan on attending. You will only receive tickets for classes and meals that are marked.**
- ◆ Confirmation notices will be sent at least two weeks prior to the seminar to all doctors who have pre-registered by the early bird date, listing which classes **and meals** you have selected. This information will be sent via email or fax to registrants.
- ◆ All classes and meals will require either a ticket or name badge for admittance.
- ◆ **Registration deadline is Friday, November 3.**
- ◆ **No registrations will be allowed on-site.**

Refunds:

- ◆ Doctors who pre-register and later discover they are unable to attend may obtain a full refund (less a \$30 administrative fee), if their written notice of cancellation is received in the WOA office postmarked by November 3, 2017.
- ◆ No refunds will be provided for cancellations received after November 3, 2017.
- ◆ All refund checks will be mailed after the seminar.
