

WISCONSIN OPTOMETRIC ASSOCIATION Opportunity List

(3/17) – Practice for Sale - Full time practice for sale in Northwestern Wisconsin. For information please contact Randy Krivo, Sunbelt Business Broker at 612-843-0075 or on the web: www.sunbeltmidwest.com or www.sunbeltnetwork.com.

(3/17) – Part Time Position – Oconomowoc - Part-time position available in a large, high-tech, professional 3 OD practice in Oconomowoc. Great mix of medical and traditional optometric care provided. Excellent support staff. Contact Jeremy Marsh, Chief Administrator at jmarsh@primaryeyecareassociates.com or 262-567-3214.

(3/17) - Doctors of Optometry at Shopko Eyecare Centers provide complete eye care services including eye exams, contact lens fitting, and diagnosis and treatment of eye disease. Optometric practice at Shopko includes retinal imaging, visual field analysis, and cataract and refractive surgery co-management. As trusted community healthcare professionals, our doctors are dedicated to bringing superior healthcare to all of our patients through open communication. We seek doctors who welcome the opportunity to practice their profession in a friendly environment staffed with a well-trained support team. We offer: equipped exam lanes, office staff in place including medical billing service, and guaranteed salary with available company benefits. For more information, contact Dr. Thomas Bobka at (920) 429-7765 or thomas.bobka@shopko.com. To apply, visit <http://Shopko.com/Careers>

(3/17) - HealthView Eye Care Center, located in central Wisconsin, has both a full-time and part-time optometrist position available. This is an excellent opportunity to work in a well-established, modern, two-location private optometry practice where outstanding patient care and customer service is a priority. Our optometrists provide comprehensive eye care as well as management and treatment of ocular disease, contact lens fits, and surgical co-management. Both locations have trained and dedicated staff and are equipped with the necessary medical equipment to practice full scope optometry, including electronic health records, Optos retinal imaging, Humphrey visual fields, and Cirrus HD OCT. Excellent pay & benefits as well as flexible scheduling to accommodate your lifestyle. New grads are always welcome.

Contact Julie A. Thums, O.D. at j.thums@healthvieweyecare.com or 715-748-2020.

(3/17) – Full Time Optometrist with Gundersen Health System Black River Falls - Gundersen Health System is recruiting for a full-time, therapeutically certified optometrist at the Black River Falls, WI eye clinic. The clinic in Black River Falls is a general optometry practice with emphasis on primary care, including ocular disease diagnosis, treatment, and management, geriatrics, contact lenses, and co-management of cataract and refractive surgery patients. Residency training and/or experience is preferred. The Eye Department at GHS consists of 12 ophthalmologists and 24 optometrists serving portions of WI, IA and MN. Subspecialty services include retina, glaucoma, pediatrics, oculoplastics, and refractive surgery. Contact Jon Nevala, Manager, Medical Staff Recruitment, Gundersen Health System. 608-775-4224 or jpnevala@gundersenhealth.org and visit www.gundersenhealth.org

(3/17) – Part Time Optometrist Needed Middleton/Madison - Private group practice seeking a part-time optometrist for two offices located in Middleton and Madison, WI. Looking for a temporary associate to help cover maternity leave and growth with new office. Position does have potential to continue past this year depending on growth of practice and desire of candidate. Ideal candidate for this position would be available for 2-4 days/ week from May- July, and then 2 days/ week August- December. Number of clinical hours and days of the week for this position can be somewhat flexible depending on candidate's schedule. There will also be potential for more coverage and hours depending on doctor time out as well

as long term growth of the practice. Our primary eye care practice has equipment and established patient base to practice full scope medical optometry. Qualified candidates should demonstrate excellent communication skills and enjoy working with a broad patient base. Please contact Dr. Callie Maursetter by email at <mailto:cmaursetter@isthmuseye.com> or phone at 612-963-3937.

(3/17) – Milwaukee Visionworks OD Opportunities – Sign on Bonus - Visionworks, one of the leading providers of eye care services in Wisconsin, has exciting professional opportunities for Licensed Optometrists in the Milwaukee market. We have full-time and part-time positions available, and Visionworks invites you to inquire as to the many opportunities for doctors looking to practice in a full scope optometric environment. If you are an outstanding Optometrist, whose primary goal is to provide excellent patient care, then we are interested in talking to you. I warmly invite you to contact us for details. Thank you for your time and consideration. Lauren Johnson, O.D. Recruiter 210.419.8386, LaJohnson@visionworks.com.

(2/17) – Part-time Optometrist needed in Glendale, WI - Part-time Optometrist needed in Glendale, WI - We are currently looking to hire an optometrist that can help us part-time. Days and hours as well as pay are negotiable. The office is an easy pace without the pressure of working at a chain store. Location is Specs Appeal at Bayshore Town Center Mall in Glendale, WI. If you are interested, please call Stan at 262-573-5635 or 414-962-2020. Please send resume/CV to specsappeal@att.net or 420 W. Silver Spring Drive, Glendale, WI 53217.

(2/17) – Part-time and/or fill in OD wanted in Racine - Part-time and/or fill-in O.D. position available in large, high-tech, professional three O.D. optometric practice in Racine, WI. Staff of sixteen to support O.D. directed delivery of eye care. An opportunity to practice at a level utilizing all your skills in a multi-speciality eye care practice. - Interested applicants should contact: Michelle Titzkowski, Practice Manager, Vision Clinic/Dr. Savin & Associates, 1421 Washington Avenue, Racine, WI 53403, 262-637-7494, michellevision@asapnet.net

(2/17) – Part-Time Optometrist Wanted in Madison - We are a busy, modern independent sublease office located inside of Madison's West Towne LensCrafters and are looking for a part-time optometrist 1-2 days per week. Flexible scheduling is available, as the office is open 7 days a week. Excellent support staff, Rev EHR, Daytona, and Cirrus OCT. Please contact Tessa Sokol, O.D., tessalynn@uwalumni.com or 608-575-0749.

(1/17) - Full Time Optometrist Wanted in Green Bay, WI – Costco Optical is seeking a full-time optometrist for its Green Bay, WI location. If interested, please contact Scott Francis at sfrancis@costco.com.

(1/17) – Private Practice for Sale in South Central, WI – Optician-owned optometric practice is for sale in Janesville, Wisconsin, a growing community of 63,000 residents. Practicing Primary Eyecare, this office was started in 1984 and currently examines two days per week. Excellent patient base offering an opportunity for growth as a main or satellite office by promoting modern medical optometric services. Call 608-774-8890 or email tomandresa@yahoo.com.

(12/16) - Practice Full Scope Optometry with Shopko Eyecare! - We offer: equipped exam lanes, office staff in place including medical billing service, and guaranteed salary with available company benefits. Shopko Eyecare has full-time optometrist opportunities available in Appleton, WI; Beaver Dam, WI; Green Bay, WI; and Albert Lea, MN. For more information, contact Dr. Thomas Bobka at (920) 429-7765 or thomas.bobka@shopko.com. To apply, visit <http://Shopko.com/Careers>.

(12/16) - Optometrist Wanted in Rockford, IL - Family Optical Centre is seeking candidates interested in joining a dynamic, well-respected practice. If you believe in providing the ultimate patient experience, being the leader that employees want to follow, and have the skills, background, and cultural fit, consider applying for our attending staff position. This position reports to the Director of Professional and Retail Services and works closely with our operations manager. We are looking for an energetic, team-oriented, positive individual dedicated to patient care and motivated by challenges. Family Optical Centre is a 40+

year old family run practice, closely associated with a 5-doctor ophthalmology practice. We provide full service eyecare and are also a premier destination for Laser Vision Correction. Ideal candidates possess an active Illinois optometry license, 1+ years' optometric clinical experience, desire to practice in the city of Rockford, and a strong desire to learn. Please forward letters of interest with C.V. to nachiaramonti@rosineyecare.com.

(12/16) – Outstanding Optometry Position Available in Milwaukee area - Practice full scope primary eye care; full or part time positions available. Enjoy a nice work/life balance and the opportunity to serve a varied patient base along with trained professional support staff in a private professional environment that emphasizes exceptional patient care experiences. Your experience, chair-side manner, and interest in practicing preventative healthcare to the fullest extent of your license make you a good match for this mature practice. This is an outstanding opportunity for the optometrist who wants the freedom to guide and direct the practice, not just participate from the sidelines, at this franchise optometry-owned location. We offer excellent income and a competitive benefit package to full time staff. For more information and consideration, please contact Vincent Facchiano, O.D. at 815-332-2223, and email your contact information, resume, and references to DrVFacchiano@4GreatVision.com or fax to 815-332-4488.

(12/16) – Practice for Sale in Middleton, WI – If you're looking for a well-established (34 years) solo practice in a fantastic location (near UW-Madison) at an affordable price, this is the practice for you. Included in the purchase would be up-to-date equipment including Optovue OCT, NIDEK retinal camera, and the Essilor Visiooffice digital dispensing system, as well as two furnished exam lanes, pretesting room, and optical. We are completely computerized with EHR and have successfully completed Meaningful Use Level 2. The practice has contracts with two major HMO's in the area as well as VSP, Eyemed, Medicare, and other private insurances. My staff of two has 30 years' experience in optometry. The freestanding 2,500 square foot building is also available for sale or rent and has newer siding, roof, and windows for energy efficiency. Please contact Dr. Stephen Kessler at 608-628-5221 or email steveidr@juno.com.

(11/16) - Eau Claire, WI Lucrative Part-Time Position - High Daily Rate; Easy Hours, Easy Work! Sterling Optical has been a nationwide leading optometric company for over 100 years and aggressively continues to grow each year. Excellent optometric opportunities exist for both established and recently graduated optometrists. We provide total eye care and vision services in a quality environment. Optometrists will have the unique opportunity to provide quality eye care to a growing patient base and be affiliated with a profitable organization at the same time. We have an Immediate Part-Time Position 2-3 days per week at our Eau Claire location. Please contact our corporate office if you are interested in this lucrative position, or if you are interested in occasional fill-in work. You may kindly pass along this opportunity to a colleague, if you're not available at this time. Contact: nick.shashati@sterlingoptical.com; (800) 454-4647.

(11/16) - Rock County Optometric Practice for Sale - This optical practice has been offering great customer experiences since 1982, without the owner practicing as an optometrist. With two experienced staff members and an outside doctor, the owner works half-time and is able to leave without trouble. For a licensed doctor, there is tremendous growth opportunity as a practitioner-owner. Estimated earnings for a practitioner-owner of over \$100,000/yr. Asking \$175,000 plus inventory. Real estate is separately available. For more information, please contact Sean Scannell of VR - Lakes Business Group Inc. at (608) 921-7420 or sean@vrbizlakes.com.

(10/16) - Optometric Practice Now Available in Oshkosh, WI – Great reputation and seasoned staff! Excellent patient base with a deep referral network. Provider with most insurance plans. Exam coverage 4-6 days a week with a boutique-like optical offering diverse selection with up to 1,200 frames and sunglasses. In-office edging with new Coburn edger and an exam lane that is three years old. This is a perfect opportunity for an optometrist looking for their own practice, or one who is looking to add another location. Revenue and sale price upon request. Contact Jean Sundstrom, Stellar Vision, Inc. at 920-203-3160 (cell) or jeansundstrom24@gmail.com.

(10/16) - Associate Optometrist Desired for Private Practice in Milwaukee – Associate optometrist desired for a private practice in Milwaukee's North Shore and Fredonia communities. This opportunity is ideal for someone looking for a practice where their opinions matter. Our current need is part-time to supplement the schedules of our three full-time optometrists. Inquires can be directed to scotti@premiervision.org.

(9/16) - Established Optometry Practice for Sale in South Central Wisconsin - Reedsburg is one of the best-kept secrets in Wisconsin, located only 15 miles from Wisconsin Dells/Baraboo and only 50 miles from Madison. Its growing population is just under 10,000. Adding to its appeal is the great school system, robust and diverse industry base, and a progressive city government that encourages growth and maintains a clean, healthy city. This fully equipped practice was started over 37 years ago and has an established, very loyal patient base. The equipment and office is up-to-date, including Practice Director EHR software. Current gross income is over \$500K with a four-day week, so there is opportunity for growth. We have a strong affiliation with UW-Madison, with more than 25 years of regular ophthalmologist visits in our office for specialty consultations. Terms of sale and transfer of the practice are flexible and can be immediate or gradual. Please email inquiries to: reedsburg.eyecare@gmail.com.

(9/16) - Private Practice for Sale in Green Bay - Muller EyeCare is for sale, located at 1776 E. Mason St., Green Bay. Includes building, contents (except for personal items), and practice (patient files). This is an exceptional, established practice started in 1956 that has always thrived by word of mouth & relatives referring relatives. Presently, last exams were seen on Aug 31, 2016. Contents of building include 3 lanes, keratometer, rotating screening table, wide array of trial contacts, huge array of instruments, wide selection of uncut spherical & compound CR39 SV and FT-28 spherical lenses, and lab equipment including Novamatic patternless edger system. All furniture included except for personal items belonging to doctors or staff. Optical displays and remaining frames included. Excellent location on Green Bay's second most busy street. Must sell; all staff retiring. \$369,000. Contact Teresa Muller-Runte (owner) at 920-609-1743 or mail@mullereyecare.com. Can text photos of building and interior if desired.

(9/16) - Optometrist Needed Part-Time - Red Granite Health Service Unit. Approx. 2 days/mo., days & hours flexible. Please contact James Richter, O.D., 920-377-0803.

(9/16) – Private Practice for Sale in Marquette, MI – 75 years in the same location; owner wishes to retire after 35 years of very successful practice. The building is also available for sale, and there is a new, \$300 million hospital opening only one mile away from the practice. Priced to sell. If interested, please contact Dr. Steve Morris at 906-362-4825 or ssmorris@chartermi.net.

(9/16) - Full Time/Part Time Optometrist Needed in Ironwood, Michigan - We are a busy, modern optometric practice in the beautiful Upper Peninsula of Michigan. Optometrist is wanted for full or part time employment. Buyout opportunity is available. Our office is fully equipped with SDOCT, Visual Fields, Digital Retinal Camera, and Revolution EHR. Opportunity to pursue visual training, low vision, or sports vision specialties, if desired. For more information, please contact Dr. Richard Miller OD at dr.miller@millervision.net.

(8/16) - Door County Practice Seeking Optometrist - Very busy, dynamic Door County practice seeking personable optometrist for part-time OR full-time opportunity. Please email docfilar@yahoo.com.

(5/16) - Part-Time Optometrist Needed in Suburban Milwaukee – Part-time (10-30 hours/week) optometrist needed for private practice in south suburban Milwaukee. Office has state-of-the-art equipment for full scope optometric care. If interested, please email grangevision@gmail.com.

(5/16) - Exciting Opportunity for Associate Optometrist - Our premier northeast Wisconsin two-doctor, two location private practice is seeking a full-time associate optometrist. We practice full-scope family eye care and emphasize customer service with every patient. Our office is equipped with EHR and has diagnostic equipment including OCT, HRT3, corneal topography, fundus photography, threshold perimetry, pachymetry, and more. Our practice's full scope of care includes contact lenses, glaucoma, and a variety of other medical care. We actively provide pre- and post-operative cataract, corneal

transplant and refractive surgery care, and have active partnerships in co-management with area ophthalmologists. The position will be full-time, one evening per week (12-8 p.m.), with no weekend hours. We offer a competitive salary and full benefit package including health insurance, 401k, paid vacation, profit-sharing, bonus structure, and more. Qualified candidates interested in joining an excellent optometric team should send a cover letter, resume, and salary requirements to info@griebenoweyecare.com.

(5/16) – Full or Part-Time Optometrist Wanted in Shawano, WI – Group practice with multiple locations looking for full-time or part-time associate. This opportunity offers the ability to practice full scope optometry in a down to earth practice setting. We are looking for a candidate with excellent clinical skills and the ability to communicate with patients at their level. Competitive income and benefit package available for full-time positions, including 401K, health and liability insurance, and continuing education reimbursement. Please contact Drs. Peterson or Beyersdorf at 715-526-3163.

(5/16) – Full-Time Optometrist Needed in West Bend, WI - Eye Care Optical in West Bend is seeking a full-time optometrist. Salary is negotiable. Benefits include every other Friday and Saturday off, Sundays off, two weeks paid vacation, paid holidays, health insurance, and retirement plan as well as a clean, modern office and pleasant, professional staff. Inquiries should be submitted to eyecarewestbend@gmail.com.

(4/16) – Part-Time/Fill-in Optometrist Needed in Appleton, WI – Sublease doctor's office next to a chain optical looking for a part-time/fill-in doctor, 1-3 days per week (negotiable days). Please contact sedierks@gmail.com for more information.

(2/16) - Practice for Sale in Rice Lake, WI - Well established and still growing. Located on a highly trafficked thoroughfare. Financing available for up to 100% of the purchase price to qualified buyer. Please contact Randy Krivo at Sunbelt Business Brokers, 612-843-0075.

(2/16) - Busy, Modern Optometric Practice for Sale in Ironwood, MI – Located in the beautiful Upper Peninsula, this practice is booked two months in advance. I started the practice 41 years ago; I'm 66 and wish to retire. Has new OCT, new retinal camera, Revolution EHR, two refracting lanes, 2000 sq. ft. in professional plaza - renting, no real estate to purchase. Please contact Richard A. Miller, O.D., at 906-285-0272 or email michelle.miller559@gmail.com.
